

## WHITE PAPERS

Deliver your company's technical expertise to a targeted audience of engineers and generate leads for your sales team.

Your White Paper is promoted through the following channels:

- Placement on the HOMEPAGE of *signalintegrityjournal.com* during the 1st month
- Inclusion in 1 SIJ Weekly Newsletter, delivered to 13,000 subscribers
- Archived in the "Resources" section of the SIJ website permanently
- Sales leads captured and delivered via email

**Cost:**

\$1,500 for 1X – discounts for multiple

**Defying Convention to Achieve Faster Signal and Simulation Speeds**

January 26, 2017 *Comsol* No Comments

An efficient computational design optimization method, combining full-wave electromagnetic simulation in COMSOL Multiphysics® software with a space-mapping (SM) algorithm implemented in MATLAB® software.

[Read More](#)

**BER- and COM-Way of Channel Compliance Evaluation: What Are the Sources of Differences?**

January 5, 2017 *Mentor Graphics* No Comments

The authors analyze the computational procedure specified for Channel Operation Margin (COM) and compare it to traditional statistical eye/BER analysis and propose a modification to the COM procedure that eliminates these problems without considerable work increase.

### White Paper Deliverables:

Unless otherwise specified, deliverables are due 7 business days prior to the deployment of your content. If your deliverables are not received in entirety within the requested time line, *Signal Integrity Journal* may need to move your deployment date in order to comply with the current production schedule.

Please submit all deliverables to Jaclyn Seigal at [jseigal@signalintegrityjournal.com](mailto:jseigal@signalintegrityjournal.com) and CC your SIJ Sales Rep.

### Please provide the following:

- PDF version of your white paper
- White paper title
- Abstract – 50 words max
- Copy of sponsor logo
